Objectives

- Enhance understanding of the non-licensed caregiver's scope of practice and the associated risks in the acute and ambulatory care settings.
- Identify nursing delegation responsibilities and limitations for non-licensed caregivers in the acute and ambulatory care settings.
- Increase awareness of the regulatory scope of practice of the Advanced Practice Practitioners in the acute and ambulatory care settings.
- Define the regulatory rules of delegation for Advanced Practice Practitioners in the acute and ambulatory care settings.
- Define an organization's duty to report impaired providers.
- Provide resources to aid risk managers in identifying and mitigating risks of the impaired provider.
- Enhance awareness of the significant changes to civil litigation in 2011 Wisconsin Act 2 and the impact for healthcare providers and organizations.

Speakers

BURTON WAGNER Mr. Wagner is a partner in the Reinhart Boerner Van Deuren law firm. Prior to entering the private practice of law, Mr. Wagner was an administrator in the Wisconsin Department of Health and Family Services where he was responsible for the development, funding and regulation of community based programs and state owned health care institutions. Prior to serving the Wisconsin Department of Health and Family Services, Mr. Wagner was legal counsel for the University of Wisconsin Center for Health Sciences, including University Hospitals and Clinics.

NANCY M. SCHRYER Ms. Schryer is the Vice President and Chief Nursing Executive at Aurora Sinai Medical Center. With over 25 years of broad and progressive accomplishments in the delivery of healthcare, Ms. Schryer has demonstrated clinical, strategic and business strengths in producing positive change and continuous improvement in operations and care delivery environments. Depth of experiences includes all levels of healthcare from bedside to administration always with the focus on the patient and family and creating a positive environment for the staff who deliver care to them

PAMELA M. STACH Ms. Stach is an attorney for the State of Wisconsin, Department of Regulation and Licensing which is the state agency responsible for credentialing and regulating various professions in Wisconsin. Ms. Stach works within the Division of Enforcement which is the prosecutorial arm for the agency's boards and direct-licensed professions.

ROBIN SHERIDAN Ms. Sheridan has experience in all aspects of employment law and human resources management including hiring, discipline, discharge, drug testing, disability accommodation, union avoidance, discrimination and civil rights claims, implementation of family and medical leave and wage and hour laws. She also has experience preparing employment, severance, non-competition and confidentiality agreements.

LEIA OLSEN Ms. Olsen advises clients in numerous aspects of health care law, focusing in the areas of regulatory compliance, billing and reimbursement, and clinical services and patient safety. Ms. Olsen's experience includes assessing clients' compliance with various federal and state health care regulations, helping clients conduct internal investigations and assisting in the production of client responses resulting from federal compliance investigations.

ROBERT D. EBBE Mr. Ebbe joined the Corneille Law Group in June of 2002 and has been a partner at the firm since 2005. Mr. Ebbe has considerable trial experience including representing medical providers at trial including in issues of labor and delivery, nursing home and assisted living care, intensive care nursing, mental health assessments, post-surgical infection, suicide prevention as well as other issues Mr. Ebbe is active in a number of professional organizations, including the Wisconsin Society for Healthcare Risk Management. He represents healthcare providers and organizations before state licensing agencies and in professional organization peer review proceedings.
